ABOUT ME

I am a hardworking and motivated Computer Engineering student seeking an opportunity for on-the-job training. I am eager to apply my technical knowledge and passion for technology to contribute to furthering a company. Proficient in various office and computer applications, I bring strong problem solving skills, a positive attitude, and a strong willingness to learn and grow. I'm committed to gaining hands on experience and further developing my skills in a real-world setting.

CERTIFICATES & AWARDS

DOST CARAGA STARTUP PITCH FEST

PITCH FEST   2025

I participated in a Startup Pitch Fest, where I presented an innovative business idea to a panel of industry experts, investors, and fellow entrepreneurs. The event provided valuable experience in pitching, business development, and receiving constructive feedback to improve and refine startup concepts

ICPEP CARAGA REGIONAL CONVENTION

CPE CHALLENGE   2025

I competed in a Regional Convention where my team was crowned champions, demonstrating exceptional teamwork, skill, and dedication. Our performance in breadboarding earned us top recognition. I worked collaboratively with my team to overcome challenges, showcasing our problem-solving abilities and strategic thinking.

CIVIL SERVICE EXAM PASSER

CSE ELIGIBILITY   2024

I am a passer of the Civil Service Professional Eligibility, obtained on the August 11, 2024 Civil Service Exam. This certification demonstrates my competence and qualifications for various civil service positions, ensuring my adherence to the standards and regulations set forth by the government.

COMPUTER SYSTEM SERVICING

NC II PASSER   2019-2024

I passed the CSS NC II (Computer Systems Servicing National Certificate Level II) certification, proving my skills in installing, configuring, and maintaining computer systems and networks. This certification confirms my readiness to work in IT support and technical services following TESDA standards.

SOFTWARE SKILLS

- Microsoft Offices
- Virtual Studio Code
- SketchUp
- Canva
- AutoCAD
- Arduino IDE
- Git
- Github
